

**THE FOURTH OF JULY.**—The Fourth of July is to be celebrated in Brooklyn this year by a parade, in which the military, Masons, Sons of Malta, Turners and United Order of Americans are to participate. The members of the Army are to be laid, the Declaration of Independence will be read, and an oration delivered by the Rev. Henry Ward Beecher from the City Hall steps. There will be plenty of music and fireworks in the evening. The day is to be celebrated on Monday, the 10th. The Common Council will participate in the exercises.

**EFFECTS OF THE HEAT.**—A woman, about 30 years of age, neatly dressed in a striped calico frock, was seen to fall down on Mulberry's dock foot of Baltic street, yesterday. The police were notified, and she was conveyed to the Third Precinct Station-House, where she received medical attendance, but without avail. She died soon after. Her appearance indicates that she is an Irish woman.

A farm laborer, employed by Richard Stillwell, in Gravesend, was sun-struck while working in a field on Monday afternoon, and soon after died. The name of deceased was Owen Beglin. He was a native of Ireland, and about 30 years of age.

Richard Justin, residing at No. 22 Hudson avenue, was prostrated by the heat on Monday afternoon, and died of the effects about midnight.

John McCom, residing in Dickinson's Alley, Fifth Ward, was sun-struck on Monday, and died the same evening.

Inquests have been held on all the above, and verdicts rendered in accordance with the facts.

**THE PUBLIC DOCKS.**—Brooklyn has a water-frontage of nearly eight miles in length, and yet owns and controls only about 200 feet, on which there are five docks, namely: Foot of Hamilton Avenue and Astor street (leased to the Union Ferry Company), Fulton street, Clinton Avenue and South Sixth street. The total amount of revenue derived from the rent of these docks for the past three years was \$3,314.49.

**DISBANDING FIRE COMPANIES.**—At the last meeting of the Common Council, the Special Committee on the subject reported in favor of confirming the recommendation of the Fire Commissioners of the Eastern District to disband Engine Companies Nos. 8 and 13 for disorderly and riotous conduct. The report was adopted, with but one dissenting vote.

## NEW-JERSEY ITEMS.

**COUP D'SOUILL.**—A man known as "Nicasarun," who has been a visitor about the fairs for some years past, and had the reputation of being a veteran of many wars, was prostrated by the effects of the sun yesterday morning at the corner of Morris and Hudson streets, and taken to No. 62 Prospect street. Dr. Hobot examined him, and thinks that he cannot recover.

Thomas Moore of South Orange, N. J., was prostrated by the heat of the sun yesterday afternoon, so that he died soon after. He had been at the brewery in Jersey City for feed for his cattle, and was on his way returning home, when, near Cole and North Second street, he fell off. He held on to the lines, and was dragged some distance. One of the horses stepped upon his breast, but no horses were broken. Coroner McAuley held an inquest, when a verdict of death by sun-stroke was rendered.

**DEATH OF DR. JANEWAY.**—The Rev. Jacob L. Janeway, D. D., died at New Brunswick, N. J., on Sunday evening, at the age of 84 years. His funeral takes place to-morrow at the First Presbyterian Church in that city, at 2 o'clock p.m. He has long been associated with educational institutions, and has occupied the Presidency of the Western Theological Seminary at Albany. He was a distinguished writer on theological subjects, and at one time the pastor of the Second Presbyterian Church, which worshipped at the corner of Third and Arch streets, Philadelphia.

**FATAL ACCIDENT ON THE RAILROAD.**—A woman named Bridget Murphy, residing in Sussex street, near Green, met with an accident about 6 o'clock yesterday morning which resulted fatally in a few hours. It appears that she was engaged in peddling oranges at the depot of the New-Jersey Railroad, and on the departure of one of the trains about 6 o'clock remained upon the train after it left the depot; a passenger was bargaining with her for a shilling's worth of oranges, he standing on the platform at the time and she on the bottom step. When near the crossing at Greene street she attempted to jump off, the cars running at a rapid rate. On leaping to the ground she became entangled in her basket and fell with her legs upon the track, the cars passing over both of them, crushing them in a horrible manner. She was conveyed to her residence and surgical assistance called. Dr. Burroughs, Varick and Reeves, were called in, and upon consultation decided to amputate one of the limbs. While undergoing the operation she sank so rapidly that it was not deemed advisable to amputate the other, and she soon after died. Coroner McAuley held an inquest yesterday afternoon, when the facts were elicited, as well as the fact that apple and orange women were permitted to ride a short distance upon the trains after leaving the depot, when the cars were going so slow as to permit them to jump off without danger. This was against the rules of the road, but there were often overlooked by the employees. A verdict of accidental death was rendered. Deceased was about 25 years of age, and married.

**THE MYSTERIOUS AFFAIR AT THE DEPOT.**—A mystery—Yesterday morning in New York, in company with Coroner McAuley of Jersey City, made a partial examination into the circumstances attending the depositing of the body of "Oscar Clark" in the Jersey City Depot, and, as far as could be learned, the body was buried in a plain casket, probably with arms. The body was sent to New York to await the action of Coroner Hales. Previous to this deposit of the body, the jury impaneled in Jersey City, in the case of the person buried at the depot of the Morris and Jersey Railroad, do report that, according to the certificate of the physician attending him, at the City Hospital, he was caused to die by a violent stroke of apoplexy. Estimated amount of the accident, \$100. The coroner, however, gave a verdict of accidental death. Estimated amount of the accident, \$100. The body was sent to New York, identified by Mr. French, of \$3,25, for furnishing information to the jurors and officers in the case, was referred to the Committee of Criminal Courts and Police.

Mr. HALL offered a second resolution of censure against the Clerk of the Board, but, notwithstanding the motion to adjourn was lost, 6 to 6. A motion to approve the minutes was also lost, 6 to 6.

Mr. HALL then offered the following resolution:

**Resolved.** That the Clerk of this Board, in not publishing the Minutes of the letter of John Q. Aymar, has been negligent in his duty.

The CHAIRMAN decided the question out of order.
